

## "OLD GLORY" WON'T BE HAULED DOWN,

Although a Desperate Assault Was Made On Its  
Honor All Along the Line.

### JUDGE NASH'S SUPERB VICTORY IN OHIO.

He Will Have a Plurality of About 50,000—A Great Victory in the Defeat of Goebel in Kentucky, but Republican Prospects for Success in Nebraska Not Bright—Massachusetts, New York, New Jersey, Iowa, South Dakota and Pennsylvania True to the Party of Prosperity—Maryland Returns to Her Old Idolatry—Everything is Lovely, and That "Same Old Coon" is Still On His Perch.

#### SUMMARY OF THE RESULTS.

The results of the elections yesterday were quite satisfactory from a Republican standpoint. Ohio was the fiercest battleground, and Judge Nash comes out of the contest without any disfigurement worth mentioning. He will probably have a plurality of 25,000 to 30,000. Taylor's election is assured in Kentucky by 10,000, which surely marks one of the most decisive and suggestive Republican victories. Nebraska is for Fusion Massachusetts, the hot-bed of the Anti-Imperialists, gives a rebuking Republican majority of over 80,000. Pennsylvania, New Jersey, Iowa, New York, and South Dakota are Republican by handsome margins. Maryland has gone Democratic through a combination of circumstances. It is in no sense a victory for the Bryan wing of the Democratic party, as Governor Lowndes' opponent was a gold standard Democrat. The other two states which voted yesterday merely went through the formality of an election. Virginia and Mississippi are factors of no importance in the political problem. This is the situation up to the hour of going to press—and it is a very comfortable one, with our intelligent coon "winking the other eye."

#### NASH ELECTED IN OHIO.

From Figures Obtainable His Plurality Will Be Greater Than That of Governor Bushnell Two Years Ago. Governor-Elect Renowned in Columbus.

COLUMBUS, O., Nov. 7.—At 10 p. m. the chairman of both the Republican and Democratic committees were claiming the election of their respective state tickets and also a majority of the legislature. There are no Jones legislative candidates, but Samuel M. Jones, mayor of Toledo, is certainly the closest third that ever entered the Ohio gubernatorial race. The indications are that he has drawn more heavily from the Republicans in the cities than from the Democrats, with the exception of Columbus and some smaller cities, and that the Jones vote will not be so large in the rural districts. There is not the usual percentage of either Republican or Democrat gains or losses, the gains run for the Republicans in some places and for the Democrats in other regions. Even after returns are complete from Cincinnati, Cleveland and Toledo it may be difficult to report the result definitely to-night, owing to the tide in the Jones vote, which runs in streaks and causes Republican losses in some places and Democratic losses in other places. At 10 p. m. Judge Nash claimed his election as governor and Chairman Dick said he was assured the Republicans had carried everything, but he had no figures to announce. The Associated Press sent to Mr. McLean at his residence, asking if he claimed his election, and received the reply that he had no answer yet to make. Chairman Seward, of the Democratic committee, said he was not prepared yet to answer the question.

COLUMBUS, O., Nov. 7, 10:30 p. m.—Hon. C. L. Kurtz, the Ohio member of the national committee, who is in Governor Bushnell's office figuring on the returns, said: "I regard the returns received up to this time as insufficient to make a correct estimate on the vote for governor. The first precincts reported are usually the ones in which there is a small vote and that vote is less liable to fluctuation than other precincts. Hence it is idle to claim either

the election of Nash or McLean as yet."

COLUMBUS, O., Nov. 7.—After 11 p. m. the returns showed that the Democratic gains in Cincinnati and other cities were reduced and that McLean was likely third at Cleveland and possibly at Toledo, in which cities Jones drew much more heavily from the Democrats than the Republicans. At the same time the Republicans net gains outside of Cincinnati, Cleveland and Toledo, were increasing at such a rate as to indicate a plurality of from 30,000 to 40,000 for Judge Nash for governor and the entire Republican state ticket, including a majority of the legislature. Chairman Dick had previous to the election repeatedly claimed the election of the entire state Republican ticket by not less than 50,000 plurality.

So far to-night he has refused to give out any figures, but those around him say that means that he has no reason to change his first figures. The later returns seem to be growing in favor of the Republicans, especially since the returns indicate that Jones hurt the Democrats much more than the Republicans in Cleveland, Toledo and Columbus and other cities, while the first reports indicated exactly the opposite. Judge Nash, Republican candidate, was receiving the congratulations of his friends and neighbors at the Nell House after 11 p. m. He said:

"I claim my election now by at least 30,000, but I am too much engaged to give a statement of the causes or to analyze the results for the press." The hands are out serenading him. At 11:30 Chairman Charles Dick gave out the following:

"The returns from Hamilton, Cuyahoga and Lucas counties are as yet too meagre to give definite figures. Enough have been received to indicate the election of Judge Nash by a greater plurality than that of Governor Bushnell two years ago, which was 25,465, thus ensuring the election of the entire Republican state ticket. Both branches of the legislature are Republican."

(Signed) CHARLES DICK, Chairman.

At 11:30 p. m., Chairman Seward, of the Democratic committee, was asked for a statement on the Ohio results, but declined to make one for the Associated Press. He was then asked if he conceded the election of Judge Nash, or claimed the election of McLean, to which he replied:

"I will say nothing."

COLUMBUS, Ohio, Nov. 7.—The bulletins giving 706 net Republican gain in sixty precincts outside of Cincinnati, Cleveland and Toledo, include the heavy Republican gains at Nash's home in Franklin county, where the Republican gain is over 3,000. This county gave 1,300 Republican plurality two years ago, and up to 9:30 to-night, was the banner Republican county of the state. McLean likewise reversed a Republican county in Hamilton county, where his plurality was surprising.

CINCINNATI—113 precincts out of 204 in Cincinnati, shows total vote, 35,149, of which McLean has plurality of 1,941. Jones' vote in these precincts was 3,699, indicating a total vote in the city for him of nearly 10,000.

COLUMBUS—The State Journal claims Nash has carried Franklin county by 1,000. This is based on an estimated Republican gain of twenty to precinct.

COLUMBUS—Private advices to Governor Bushnell from Clark county, his home, say there are heavy Democratic gains there.

COLUMBUS—Nash figures that he will carry Franklin county by nearly 2,000, if ratio of gains continues.

COLUMBUS—Returns from ten Columbus precincts indicate Nash, (Rep.), gains an average of nineteen to the precinct. If he gains 11 per precinct he will carry Franklin county.

CINCINNATI—Sixty precincts outside of Cincinnati, Cleveland and Toledo: Nash, (Rep.), 5,701; McLean, (Dem.), 5,870; Jones, 5,111.

COLUMBUS—Chairman Seward figuring on returns of forty precincts outside of Hamilton, Cuyahoga and Lucas counties, claims McLean's election by 12,000, but Colonel W. A. Taylor, one of McLean's managers, with the same figures, makes Nash's plurality about 8,000.

CINCINNATI—One hundred precincts outside of Cincinnati, Cleveland, and Toledo: Nash, (Rep.), 10,573; McLean, (Dem.), 10,801; Jones, 1,504. Same in 1897 gave Bushnell, (Rep.), 11,085; Chapman, (Dem.), 10,778.

CINCINNATI—Sixty-four precincts this city: Nash, (Rep.), 7,609; McLean, (Dem.), 8,455; Jones, 1,558. Same in 1897 gave Bushnell, (Rep.), 8,525; Chapman, (Dem.), 8,323.

CINCINNATI—Eighty precincts outside of Cincinnati, Cleveland and Toledo: Nash, (Rep.), 12,541; McLean, (Dem.), 12,541; Jones, 1,254. Same in 1897 gave Bushnell, (Rep.), 8,765; Chapman, (Dem.), 7,899.

COLUMBUS—The State Journal says Nash carried his home county of

## "THEY TRIED HARD, BUT THEY HAVEN'T TREED ME YET."

Franklin by 1,500, a net Republican gain of 3,000.

TOLEDO—Ten precincts in Toledo and Lucas county give Nash 593; McLean, 443; Jones, 332.

Result a Message to McKinley.

COLUMBUS, Ohio, Nov. 7.—At 12:30 the Republicans claimed that their plurality would exceed 50,000, with over 100,000 for Jones out of a total of less than 900,000. The Republican majority in the legislature is larger than usual, but no senator is to be elected. Judge Nash was serenaded after midnight at the Nell House. To an enthusiastic crowd he made a brief speech upon being introduced by Hon. Harry M. Daugherty, his rival for the nomination. Judge Nash said that the Ohio result was a message to President McKinley, that his home state endorsed his administration and presaged McKinley's re-nomination and re-election in 1900. The Republicans made their target gains at the homes of Judge Nash, Senator Hanna and Chairman Dick. The Democrats made their largest gains at the home of Mr. McLean.

Harrison County.

Special Dispatch to the Intelligencer.

CADIZ, O., Nov. 7.—Nash plurality in Harrison county will be 800. J. J. Gill for Congress, will have about 850.

Jefferson County (O.) Figures.

STUEBENVILLE, O., Nov. 7.—Twenty precincts out of forty give Nash 2,890; McLean, 1,282. Same precincts in 1897 gave Bushnell 2,340; Chapman, 1,238. It is estimated at this hour that the county is Republican by about 2,500. M. N. Duval, for representative, will have about 50 votes in the county. Gill for Congress, carries the county by 2,800. Steubenville city is 600 Republican.

Jones Gives It Up.

TOLEDO, O., Nov. 7.—Mayor Jones concedes his own defeat. He said: "If my race has contributed in any way to the success of John R. McLean, and a rebuke to the infamous Philippine policy of the administration, I feel that it has not been in vain."

NEBRASKA.

OMAHA, Nov. 7.—Returns from 134 precincts in Nebraska outside Douglas county, give Holcomb, 14,258; Reese, (Rep.), 14,127. Thirty-three precincts out of a total of 101 precincts in Douglas county, give Holcomb, (Fusion), 3,301; Reese, (Rep.), 3,193. Same precincts last year gave Poynter, (Fusion) for governor, 2,798; Hayward, (Rep.), 3,358.

LINCOLN—Twenty-one precincts outside of Omaha, show a net Fusion gain of 54. Comparisons are made with a year ago, when the Fusion majority was 2,700. There is a very slight falling off in the vote of both parties, but the per cent of Republican loss is great.

OMAHA—183 precincts Nebraska outside Douglas county, give Holcomb, (Fusion), 17,510; Reese, (Rep.), 17,385.

OMAHA—Thirty precincts in Omaha give Reese, (Rep.), 2,978; Holcomb, (Fusion), 2,967.

OMAHA—Returns from ninety-one precincts in Nebraska, outside Douglas county, give Holcomb, (Fusion), for justice supreme court, 8,576; Reese, (Rep.), 10,351.

LINCOLN—10:45 p. m.—It is evident that both parties in to-day's fight that Nebraska has repledged her allegiance to the Fusion standard. While Republicans are not yet willing to admit defeat, early figures point that way. There has been a steady falling off of the vote of both parties, but while the Fusionists have suffered but little, the Republican loss has been not less than three to a precinct. If the present ra-

tio is maintained, ex-Governor Holcomb and the Fusion state ticket will be elected by not less than 10,000. Fusionists claim much more.

Midnight—Returns up to midnight continue to show the same Fusion gain as earlier reports and there is no longer the least doubt of the Fusion ticket's election.

### TAYLOR WINS OVER GOEBEL.

Blue Grass State Elects Him Governor—By a Majority Estimated at from 8,000 to 10,000—Democrats Disheartened.

LOUISVILLE, Ky., Nov. 7.—By the combined efforts of the Republican and anti-Goebels, Attorney General W. S. Taylor (Republican) has been elected governor of Kentucky by a majority variously estimated from 7,000 to 15,000 over Goebel, (Democrat). Returns received up to midnight also indicate the election of the entire Republican ticket, while the complexion of the legislature is in doubt.

The weather throughout the state was perfect and more than an average vote was polled, the total falling but little short of the vote polled in the last presidential election. Comparatively little disorder prevailed and aside from several arrests for alleged violations of election laws, the election was characterized by a remarkable degree of quietude.

Governor Bradley remained in Louisville during the day and had the Louisville Legion in readiness for marching orders. The militia were called out after the close of the polls to enforce an injunction granted by a local judge, but the presence of the militia was not needed and the companies were ordered back to the armory.

Chairman Long, of the Republican campaign committee, said at midnight that Taylor's plurality would not be less than 15,000. This estimate, he said, was based upon estimates received from a majority of counties in the state. Governor Bradley estimates Taylor's plurality at from 15,000 to 18,000.

LOUISVILLE—10:45 p. m.—Returns received at Republican headquarters continue to show increased gains throughout the state. Chairman Long says he believes Taylor will win.

LOUISVILLE—At midnight, Chairman Long, of the Republican campaign committee, claims that General Taylor has carried the state by from 10,000 to 15,000 majority. He says that Taylor has carried the third, fourth, fifth, ninth and eleventh congressional district, while the eighth and tenth are close. The Republicans have made heavy gains in most of all of the Democratic strongholds which were expected to give Goebel large majorities. Chairman Long claims the Republicans have carried the city of Louisville by from 3,000 to 5,000 majority.

KENTUCKY.

Conflicting Stories Come From the Goebel-Taylor Fight.

LOUISVILLE, Ky., Nov. 7.—Sixty-three out of 176 precincts in Louisville give Goebel 5,252; Taylor, 5,575; Brown, 676. Taylor has carried the county outside of the city by 250.

FRANKFORT, Ky., Nov. 7.—Senator Blackburn says: "Returns received at the Democratic headquarters up to this time indicate Goebel's election by good majority."

### DEMOCRATIC LOSSES REPORTED IN MANY SECTIONS.

ALBANY, N. Y., Nov. 7.—It is given out at Democratic headquarters that the Republican ticket, headed by Blessing, for mayor, and containing the names of some Democrats, has been elected. This is a great Republican victory, the first in many years. New York—Nineteenth assembly district, twenty-six election districts out of thirty-five give Massey 3,174; Stewart, 3,174, (tie).

In eighty assembly districts, including three in this city, sixty-seven Republicans and thirteen Democrats have been elected. A Democratic loss of five.

NEW YORK—Robert Massey, Republican candidate for assemblyman in the Nineteenth district, admits that he is defeated. Collector George R. Bidwell, who managed Massey's campaign, also concedes the defeat of Massey.

NEW YORK—The boroughs of Manhattan and the Bronx give for justice of the supreme court: Barrett, (Rep.) and (Dem.), 12,529; Daly, (Rep.), 75,744; O'Gorman, (Dem.), 12,731.

NEW YORK—In 107 assembly districts, including twenty-eight in this city, seventy-one Republicans and thirty-six Democrats have been elected. A Democratic loss of two.

NEW YORK—In the sixty-three assembly districts outside of New York City which have reported, fifty-six Republicans and seven Democrats have been elected. A Democratic loss of five.

JAMESTOWN—E. B. Vreeland, (Rep.) is elected member of Congress to succeed Warren B. Lewis, resigned, in the Thirtieth district. His plurality is 11,600.

NEW YORK, Nov. 7.—At 10:30 p. m. a dispatch was received at the Democratic state headquarters announcing that Mr. Bryan claimed Nebraska for the Fusion ticket by 35,000. Chairman Danforth at once sent the following dispatch to Mr. Bryan:

"You have my heartiest congratulations upon your well deserved triumph."

CLEVELAND, Ohio, Nov. 7.—Fifty precincts in Cuyahoga county give Nash 3,752; McLean, 1,870; Jones, 6,476. A Republican loss of 1,163. This will give Jones a majority over the other two candidates in this county.

NEW YORK, Nov. 7.—At midnight Mr. B. B. Odell, Jr., chairman of the Republican state committee, said that the Republicans had elected at least ninety members of the lower house of the legislature. He said that the returns so far received from up the state showed gratifying results so far as municipal offices are concerned. Mr. Odell said:

"I look on the results of the election as an indication that the Republicans of the state are awake and that they understand this election to be preliminary to the campaign of 1900. I also

look upon the result as a tribute to Senator Platt's management of the campaign in this state."

### MARYLAND.

State Democratic by 15,000, and a Majority in Both Houses.

BALTIMORE, Md., Nov. 7.—Incomplete returns from the city of Baltimore and meagre reports from the state received up to 11 o'clock indicate that the Republicans of Maryland have been overwhelmingly defeated and that John Walter Smith, the Democratic candidate, has been elected by a majority variously estimated at from 10,000 to 15,000. There is also a reasonable certainty that the lower house of the general assembly will be Democratic by a large majority and that the Democrats will elect enough senators to overcome the Republican advantage among the hold-over senators, thereby controlling both branches of the legislature. The Democrats are wild with enthusiasm, while the Republicans are correspondingly depressed over the result, which they are inclined to attribute to treachery among the followers of Mayor Maister and United States Senator George L. Wallingford. The latter has taken no part in the campaign, and has not hesitated, since his resignation as chairman of the state central committee a few weeks ago, to predict the overwhelming defeat of the Republican ticket. The "Solid Democrats" are an organization, supported Governor Lowndes, but they seem to have had but little if any effect on the result.

Lloyd Wilkinson, secretary of the Democratic state central committee, to-night made the following statement regarding the result: "Mr. Smith's majority in the state will be from 14,000 to 15,000, with a majority in both houses of the legislature."

BALTIMORE, Md., Nov. 7.—General Thomas J. Shryock, chairman of the Republican state central committee, said at 10 p. m.: "Returns received up to this time indicate that Baltimore city has given Mr. Smith, Democratic candidate for governor, 8,000 plurality over Governor Lowndes. Wilcomico county, the only county heard from up to this time, gives Smith 300 plurality. The other counties of the state may swell Mr. Smith's plurality to 10,000. I attribute our defeat to a fight against the negroes and disaffection in the Republican ranks. I predict that an attempt will be made at the coming session of the legislature to disfranchise the negro."

### PENNSYLVANIA.

Republicans Elect State Treasurer and Two Judges.

PHILADELPHIA, Pa., Nov. 7.—In the state the following ticket was elected: State treasurer, James E. Barnett, (Rep.); supreme court judge, J. Hay Brown, (Rep.); S. Leslie Meers, (Dem.); superior court judge, John I. Mitchell, (Rep.). There are two vacancies in the supreme court and each party elected one judge.

One congressman was elected in Pennsylvania to-day. In the Ninth district comprising Berks and Lehigh counties, Captain R. D. Green, (Dem.), was elected by a majority of 5,000, to succeed D. M. Ernest, deceased.

The vote on the question of authorizing a \$12,000,000 loan for the improvement of the city water supply, showed the dissent to the proposition, the average ratio of favorable votes being about 10 to 1.

The Republican city committee estimates a Republican plurality of 40,000 in Philadelphia. A Republican loss of over thirty thousand as compared with 1897. The loss is due to the small vote cast.

PITTSBURGH, Pa., Nov. 7.—11 p. m.—Barnett, (Rep.), candidate for state treasurer, has carried Allegheny county by 20,000, according to Republican Chairman Robertson. The entire Republican state and county tickets are elected by the same majorities which amount practically to pluralities.

In the city of Pittsburgh Barnett's majority is estimated at 10,000.

PHILADELPHIA—Republican State Chairman, Reader said to-night: "Col. Barnett's majority in the state will be 40,000. The majority in Allegheny will be about 20,000, and in the state, exclusive of Philadelphia and Allegheny, run somewhat ahead of Barnett as the opposition within our own party has been concentrated on Colonel Barnett."

In an interview to-night, Senator Forney said: "It seems to be a staunch Republican victory all along the line, and a strong endorsement of the national administration. We are all gratified at the splendid endorsement of Colonel Barnett."

### NEW JERSEY.

Republicans Carry the State and Have Increased Working Majority in the House.

TRENTON, N. J., Nov. 7.—The returns at midnight indicate that the Republicans have carried the state by about 20,000 plurality, although there was no direct vote on a state ticket. The Republicans will control both houses of the legislature by good working majorities and will have an increased representation in the house of assembly. The senate will stand 14 Republicans to 7 Democrats, and the assembly 41 Republicans and 19 Democrats.

### MASSACHUSETTS.

Republicans Carry the State by at Least 65,000.

BOSTON, Mass., Nov. 7.—Complete returns show that Paine, (Dem.), has carried the city by 6,198. Paine's total vote was 33,582. Crane's total vote was 26,396.

The result of 331 cities and towns including Boston, out of the 353 in the state, give Crane, (Rep.), 154,721; Paine, (Dem.), 97,096. The same towns and cities in 1898 gave Wolcott, 148,845; Bruce, (Dem.), 100,701. This shows a Republican loss of 22 per cent and a Democratic loss of 4 per cent. On this basis the Republicans have carried the state by 65,000.

### SOUTH DAKOTA.

SIOUX FALLS, S. D., Nov. 7.—Sioux Falls Argus Leader, basing estimate on reports thus far received from points in South Dakota, claims the election of the Republican nominee for state supreme court by 10,000 majority. This is also the estimate of the National Republican committee.

SIOUX FALLS, S. D., Nov. 7.—At midnight Chairman Bowler, of the Democratic state committee, conceded the election of the Republican judges by 2,600. The Argus Leader claims the state by not less than 10,000 for the Republicans.

## VEIL OF GLOOM LIFTED FROM LADYSMITH.

General White's Reassuring Dispatches Prove Welcome News to London People.

### ENCOURAGED BY SUCCESS.

British Garrisons Not Merely Standing on the Dogged Defensive.

### NICKOLSONS NEK DISASTER.

Cause for Hope That the British May Yet Retrieve Their Shaken Reputation.

LONDON, Nov. 7.—To-night's welcome dispatches from the front have rent the veil of gloom enveloping Ladysmith, showing the British garrison not merely standing on the dogged defensive, but executing a series of brilliant sorties. Accounts from different sources agree that the laconic official description of Thursday's engagement as "an effective shelling of the Boer laager," was unduly modest. It appears that General White sent a strong force of cavalry and infantry to attack the Boers at Tatham's Farm, about ten miles to the northwest, near Beeters, and apparently achieved a surprise, the Boers being caught on the open veldt and cut to pieces and their camp captured. Encouraged by this success, General White decided to risk an even more important engagement on the following day, which was again justified by success.

Ladysmith is isolated and a Boer force had intercepted the railway between Ladysmith and Colenso. This force on Friday had descended upon Colenso and as shown by the dispatches from Estcourt, had compelled a hurried abandonment of Colenso and a retreat of the British to Estcourt.

General White had ascertained that the Boers were attacking Colenso, but he was not aware of the British retreat. He had determined therefore to attack the Boers in the rear, thus hoping to achieve the double object of drawing off an attack upon the weak garrison of Colenso and possibly of reopening communication southward.

The Boers had advanced southward until they had occupied the hills north of Tugela river and dominating Colenso on the other side of the stream. These hills slope to a plane that reaches to the banks of the Tugela.

General White's division caught the Boers in the rear and after the hills had been shelled, the British infantry stormed the position. Meanwhile the British cavalry swept around the hills and as the retreating enemy descended into the plains with British bayonets behind them and the river in front of them, they were charged by the cavalry and seem to have perished almost to a man. The British then returned to Ladysmith without coming into touch with the Colenso garrison, which had retired to Estcourt.

Sunday's dispatch from Estcourt, however, showed that an armored train had been sent back to Colenso to repair the line, and the next news may possibly be of the restoration of communication with Ladysmith.

While the British troops were thus engaged in successful endeavors to wipe out the Nicholson's Nek disaster, the situation inside Ladysmith, as shown by an official dispatch from the general at Estcourt, was most satisfactory, encouraging a hope that Sir George White may yet emerge triumphant from the ordeal through which he is now passing.

### General Buller's Dispatch.

LONDON, Nov. 7.—The following is the text of a dispatch from General Buller, from Cape Town, dated November 7, 12:55 p. m.:

"The following dispatch has been received from the general commanding at Estcourt, dated November 6:

"Since Friday there has been a cessation of hostilities. A note was sent that day to General Joubert by General White, at the request of the mayor, asking permission for the non-combatants, sick and wounded to go south. General Joubert refused the request, but agreed to allow them to go to a special camp four miles from Ladysmith. The townspeople refused to accept this offer. The sick and wounded and a few of the inhabitants were moved yesterday. A few shots were exchanged yesterday at the outpost. Friday's bombardment was heavy. Shells fell in the hospital and one burst in a hotel during luncheon. No one was injured. The only casualty in the town from the shells thus far is a Kaffir killed."

"There was a smart action, Friday, towards Dewdrop. The troops under General Broekhuysen drove the Boers back a considerable distance and disabled a gun."

"There was also fighting near Bulwano. Our loss altogether is eight killed and about twenty wounded. Ninety-eight Dundee wounded arrived. They were sent here Saturday. All are doing well."

"The position here is now believed to be entirely safe. It has been greatly strengthened during the past twenty-four hours. The people have deserted their dwellings and are living in bomb-
